

## WELCOME, CAMPERS!

*Join us as we celebrate Dad's  
birthday with an afternoon of  
camping. The sun will be out, so  
bring your sunblock!*

### WHEN

*May 24th, 2-5pm*

### WHERE

*Our place, 309 Delaware Street*

### WHO

*You and a friend!*

*Here's an example of our Camp Way Over the Hill birthday party invitation.*

To make your own, just print out the blank invitations on the next page onto card stock. Print as many as you need—they print 2 at a time. Then cut them in half and fill them out with your own party information. To send them in the mail, you'll need to use standard size A9 envelopes (5¾" by 8¾"), which should be easy to find at a craft or office store. Soon you'll be on your way to a backyard party full of happy campers!
