

# Stitched Flowers

**Crafter level:** Easy

**Time needed:** 15 minutes per flower

## What you'll need

- Printouts of stitched flower templates onto card stock
- Scissors
- 1/8-inch hole punch
- Yarn or embroidery floss
- Large, blunt embroidery needle
- Glue stick or white glue

## How to make it

1. Cut out the flower and leaf shapes with scissors.
2. Use the hole punch to punch out the outer white dots on the flowers.
3. String yarn or embroidery floss through holes to create different patterns.
4. Glue a few leaves to the back of each flower.
