

Puppy Paws

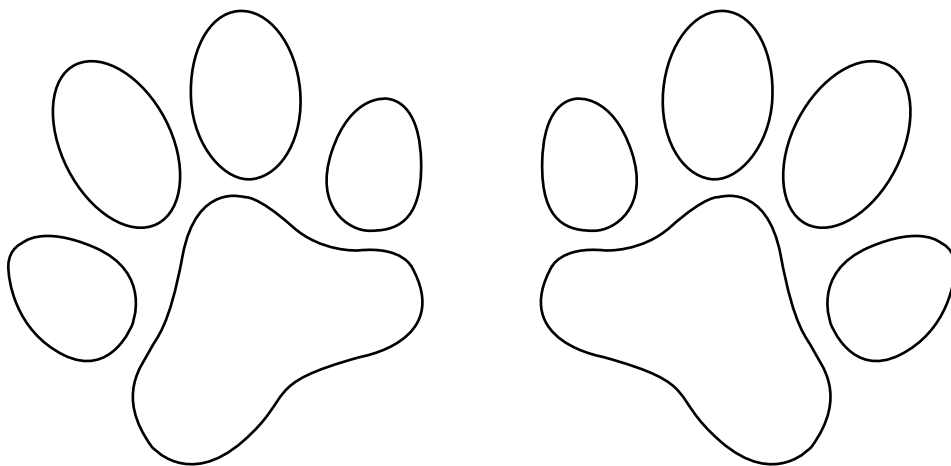

What you'll need

- Flip-flops
- 1 sheet of ¼-in. thick craft foam
- Paw templates
- Pencil
- Scissors
- Emery board or sandpaper (optional)
- Craft foam glue

How to make it

1. Cut out the paw templates and place them on the craft foam.
2. Trace around the templates with a pencil and then cut out the shapes.
3. Use the emery board or sandpaper to file down any jagged edges from your shapes (optional).
4. Glue the paw pads and toes to the bottom of the flip-flops. Let dry.
