

LETTERING tips

1. pencils & markers

Use different kinds of markers and colored pencils, from thick to thin.

2. Lettering styles

Maybe use outline for the title or recipe name—outline lettering can be filled in with decorations or color. Use a contrasting style for each line on the address. You can also mix up capital and lowercase letters.

3. embellish

Doodle and decorate!

4. borders

You can draw borders around the edges:

Or you can use Washi tape to create a border with instant color and pattern. Whatever you do, have fun! Your creation will be a unique and wonderful gift.
