

You'll sip
some brew
and have
fun, too!

The moon will
have a magic glow
and you'll look
good from
head-to-toe!

Witch way
should you go?
The best way
you know!

You'll come across
a haunted palace
with friendly
ghosts who don't
do malice!

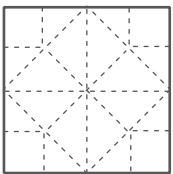

You'll be the
ghostess
with the
mostess!

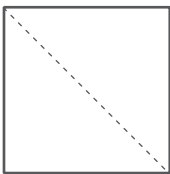

A ghou! will
call to talk to
you and say,
"Hello, my
bestie boo!"

An eerie growl will
cause a fright.
The wind will howl,
the bats will fly,
and someone
charming will say,
"Hi!"

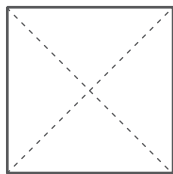

Don't fear. That's
just your appetite!

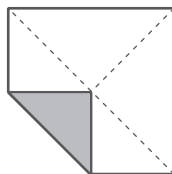

Cut out artwork
along dashed border.

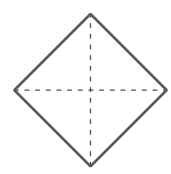

Flip paper over,
artwork down.
Fold in half
diagonally.

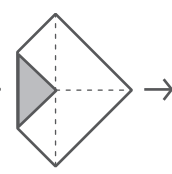

Repeat with other
corner to corner.

Fold each corner
to the center.

Flip it over so the folds are facing down.
Now fold each corner
to the center.

Fold in half horizontally.

Place fingers under flaps
and pinch together.
